

# PUPPY CLASS INFORMATION

## IN THIS CLASS...

- Understand what socialization really is - *and what it isn't!*
- Reduce risk of adolescent behaviour problems
- Vet and groomer preparation
- Nipping, jumping up, come when called, and more!
- Safe play with puppies

### FIVE Module Curriculum

*Each module covers a different topic*

*Attend in any order*

*Start class at any age, finish class by 22wks*

Choose your package:

**SIX Class Package** (+1 review class)

**EIGHT Class Package** (+3 review classes)

*Schedule your package with any combination of the 5 modules*

### The Benefits of the Review Classes:

- Additional play opportunity
- Revisit difficult subjects and consolidate learning
- What's critical next month may not seem relevant today - Gain new insights into your developmentally-changing puppy!

## STRICT SAFETY REQUIREMENTS
